

# 2017 Active for Life & Developing Competitor – ages 12 to 18

## GENERAL INFORMATION:

These programs have been revised and combined to offer a more flexible schedule and learning opportunity that is specific to each junior athlete. Whether a junior athlete wants to develop their game to the highest level or is just starting their golfing journey, it is important that they all have the following: a golf environment to make friends and have fun, an opportunity to learn about their game (including technique, tactics and mental aptitude on the golf course) and a relationship with a Coach who will support them along their way.

## ACTIVE FOR LIFE & DEVELOPING COMPETITOR FEES:

- \$300.00 (per month billed on the 1<sup>st</sup> of each month) + HST
- \$75.00 (per session as drop in option) + HST

- Unlimited coaching off the course. **It is the junior athlete's (not parent or guardian) responsibility to schedule these sessions directly with Coach.** Coaching may include, but is not limited to: self management, growing the capacity to be present on the course, learning how to handle interference, skill acquisition and technique, increasing the level of enjoyment while playing competitively or non competitively, etiquette, and a better understanding of the rules of golf.
