Building Your Foundation: This program is designed to introduce students to the process of learning and how to use their own experiences to discover their natural instincts for the game. This exploration will encompass all facets of the game including full swing, solid contact, short game, power, and the “mental game.” Each program is unique and will incorporate each individual’s needs. The Student to Coach ratio is 4:1.

Short Game Essentials: With a similar learning environment as the Foundational Program, the Short Game Programs will focus on learning all the short shots (including pitching, chipping, flop shots, and bunker shots) as well as putting. You can expect to learn how to develop solid hit and accuracy while tapping into your creativity and artistry around the greens. The Student to Coach ratio is 4:1.
